to Attend](#)[How to Apply](#)[Application](#)[Summer Institute for
Training in
Biostatistics](#)[Biostatistics Training](#)

Computational Biology and Biostatistics (CBB) is one of 5 research areas in the [Integrated Biological Sciences Summer Research Program \(IBS-SRP\)](#) (Other areas are Neurobiology, Cellular and Molecular Biology, Plant Biology, and Environmental Biology). These five research programs are woven together in an interdisciplinary learning community through evolutionary theory and the research process.

Applications for the Computational Biology and Biostatistics (CBB) Summer Research Program are submitted through the [Integrated Biological Sciences Summer Research Program \(IBS-SRP\)](#)

ALL of the Biological Sciences summer research programs, including CBB, will have access to these materials. If you are applying to more than one of the programs, you need to **SUBMIT ONLY ONE ELECTRONIC COPY** of each of the items listed below.

Deadline, February 15, 2007

A complete CBB application includes:

- **ON-LINE APPLICATION** -UW- [Madison Summer Research Opportunities Program for Undergraduates \(SROP\)](#)

The on-line form is a common form used for applying to several summer research programs (SROP) available at UW-Madison. After reading the instructions on the first screen you will be required to first enter a valid email address and a password for correspondence. Your account information and

Medical Informatics Training
Certificate Programs
Courses
Department Alumni
Student Award Winners
CBB Photo Gallery

further directions will then be emailed to the address specified. If you forget your password, you can request that it be sent to you at the email address you have entered.

On the "Programs of Interest" application screen you will be asked to indicate the program to which you wish to apply. Select **IBS-SRP: Computational Biology and Biostatistics**. After completing the online application you will receive a message instructing you further on these additional required materials:

- **Letters of Recommendation**

Two letters of Recommendation from individuals who are familiar with your academic abilities and potential to do research. Please have the recommenders e-mail the letters directly to uwbiosrp@mailplus.wisc.edu.

- **Transcripts**

An electronic copy of your college level academic transcripts (if available)e-mailed to uwbiosrp@mailplus.wisc.edu. *IN ADDITION*, please arrange to have an official hard copy set of transcripts mailed to:

Biological Sciences Undergraduate Summer Research Programs
University of Wisconsin - Madison
445 Henry Mall
Madison , WI 53706

- **List of Relevant Courses**

Please also email a list of the mathematics, statistics and computer science college courses you have taken. For each course listed, please include the year it was taken and the grade received. You may use the Course List Form

E-mail the list to uwbiosrp@mailplus.wisc.edu

**Any questions about the program or application procedures?
Please contact:**

Dori Kalish
