

# Announcements 03/24

- Reading
  - E. Yeger-Lotem, et al. *Nat Genet* 41(3):316-323, 2009.
- HW notes
  - HW3 out today, due by 11:59pm April 9 Thursday
  - Due to COVID-19, see changes for HW3 & HW4 on Slide 2
- Alternative delivery for BMI/CS 776 Spring 2020
  - Due to COVID-19, all classes and office hours have moved to online to the end of Spring 2020
  - See details on Slide 3

# HW3 and HW4

- Due to COVID-19, we have made the following changes on HW3 and HW4
  1. Everyone will get 10 free points to the final grade for HW3 or HW4.
  2. We will only count the better score of HW3 and HW4 toward the final grade. In this way, you can opt to work on only one of them depending on your availability.
  3. If someone decides to work on both HW3 and HW4, she/he can get a maximum of 10 extra points.

# Alternative delivery for Spring 2020

- Due to COVID-19, we have made the following changes on lectures and office hours
  1. I will teach our lectures online for the rest of Spring 2020 using "BBCollaborate Ultra" in Canvas. Please remotely join the online lectures ~10-15 minutes in advance.
  2. Remotely joining online lectures via "BBCollaborate Ultra" in Canvas or click links on <https://www.biostat.wisc.edu/bmi776/schedule.html>
  3. I will move my office hours on Skype (daifeng\_wang), and the office hours time slots are unchanged: Tues 2:30-3:30pm, Thus 11:30am-12:30pm.
- The lecture times are unchanged: Tues/Thus, 1-2:15pm
- As usual, all lecture materials will be posted on our course website, <https://www.biostat.wisc.edu/bmi776/syllabus.html>
- Please email me [daifeng.wang@wisc.edu](mailto:daifeng.wang@wisc.edu) for any questions!
- Please refer to [https://help.blackboard.com/Collaborate/Ultra/Participant/JoinSessions/LTI\\_Course](https://help.blackboard.com/Collaborate/Ultra/Participant/JoinSessions/LTI_Course) for more instructions
